  - that all proposed major changes to Programmes are submitted to and approved by the Programme Validation Committee & Academic Council
  - that minor changes are recorded in the Minutes of the Programme Board meeting at which they were agreed, and sent to the Programme Validation Committee for approval, prior to being incorporated into the Programme Schedule
- To update the Approved Course Schedule annually and maintain a record of the evolution of the programme of study since its approval by IADT. The Programme Board must review the Approved Course Schedule at the first programme board of the year.
